

## Murrys Malady (O'Keefe Action Adventure Mystery Series Book 1)

Someone found a way to murder Murry Berman and collect six million dollars. Everyone is in on it. The police are covering up, the insurance company is being uncooperative, the town is glad he's dead and there are only three days until the payout. So, what's the problem? His name is William Thackery O'Keefe and he hates insurance fraud. He is called in to investigate and steps into East Harbour's own version of a class war. What follows is a classic confrontation between the good and bad guys because if there is anything O'Keefe hates, it's being hassled by rednecks, rousted by the local police, shot at by cowards and double-crossed by an insurance company. There's one more thing O'Keefe does not like and that is seeing helpless people mistreated, like Connie Wilson, a lady you would be proud to take home to mama. Murry's Malady is an action-packed murder mystery laced with violence, greed, human ignorance, painful memories and just enough redeeming love to cause us to hope there is still some good in the world.

**: Crime, Thrillers & Mystery: Books: Mystery, Thrillers** Murry's Malady is an action mystery that will keep you reading and entertained until the end.
