

## Mayra (Spanish Edition)

Mayra es la novela del azar; ese vadear las aguas tormentosas por encima de las mismas crestas de las olas. La trama toma lugar en tiempo y espacio determinados: San Cristobal, Republica Dominicana, 1965. Periodo electoral que deberia encaminar a un pueblo por el sendero de la paz y la democracia despues del trauma de la guerra civil y la intervencion norteamericana, con todas sus secuelas: contrainsurgencia, corrupcion y narcotrafico. El amor, conjugado con las ambiciones politicas y la busqueda de riquezas faciles por peligrosos caminos, seran los ingredientes que pondran a prueba el fuerte caracter de Mayra, una heroina para amarla u odiarla, segun la orilla desde la cual se lea.
