

Reunion (Redemption Series-Baxter 1, Book 5)

A Deadly Diagnosis In the fifth and final book in the Redemption series, plans are being made for a family reunion. Nearly all the adult Baxter children have a reason to celebrate except one. As the preparations get under way, a deadly diagnosis sends shock waves through the Baxter family and threatens to tear them apart. A Heartbreaking Secret The reality of what might lie ahead brings each of the Baxters to a place of faith and honesty. In the process, Elizabeth and John come to grips with a secret they haven't shared with anyone, a secret they rarely admit even to themselves. At the same time, a young man is making his rise in Hollywood and wondering about his place in life. A Glorious Celebration Amidst the threat of sorrow, the Baxters share in their most wonderful celebration of all a moment to remember that love always wins out, no matter how long the struggle, a reminder that God reigns even in the darkest night. A story of God's grace and redemption, His victory even in the most difficult times.
