

## THE ODYSSEY (Penguin Classics)

Sing to me of the man, Muse, the man of twists and turns driven time and again off course, once he had plundered the hallowed heights of Troy. So begins Robert Fagles magnificent translation of the Odyssey, which Jasper Griffin in The New York Times Review of Books hails as a distinguished achievement. If the Iliad is the worlds greatest war epic, the Odyssey is literatures grandest evocation of everymans journey through life. Odysseus reliance on his wit and wiliness for survival in his encounters with divine and natural forces, during his ten-year voyage home to Ithaca after the Trojan War, is at once the timeless human story and an individual test of moral endurance.
