

The Plodders Mile

If you found a hundred thousand dollars, would you turn it in to the police? Or would you figure out a way to keep it? John Graham has a dilemma, but through his artistic creativity, he may get to keep most of the money. But Raymond Johnson went to a lot of trouble to steal that money from a bank, and he won't let anyone stand in the way of getting it back. Not his partner or anyone else. Not even Police Captain Greg Jones. Jones has had major crime in his little town before, but with the help of local reporter Paula Rogers, everything may get sorted out. This fast paced book had a twist at every turn; a crime drama which will keep you turning page after page.
