

The Street Called Straight a Novel (Classic Reprint)

Excerpt from The Street Called Straight a Novel
As a matter of fact, Davenant was under no illusions concerning the quality of the welcome his hostess was according him, though he found a certain pleasure in being once more in her company. It was not a keen pleasure, but neither was it an embarrassing one; it was exactly what he supposed it would be in case they ever met again - a blending on his part of curiosity, admiration, and reminiscent suffering out of which time and experience had taken the sting. He retained the memory of a minute of intense astonishment once upon a time, followed by some weeks, some months perhaps, of angry humiliation; but the years between twenty-four and thirty-three are long and varied, generating in healthy natures plenty of saving common sense. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
