

Death Comes to Bella Vista Arkansas

In this action - adventure book a serial killer is preying on the innocent citizens of Bella Vista Arkansas. The killer deals with the same internal pressures - the flaws - the faults - the battles that lay deep within the very being of all of us and that are hidden just below our not so tough outer skin. When harsh and vile exterior forces batter and tear asunder the killer this thin veil of protection his very self worth, values, and sense of right and wrong is maimed. Fueled with hate, boiling with anger and fear and when given even the smallest opportunity or opening evil the killers spews forth from his brewing cauldron of pain. The raging battle for the very souls of the characters of this book is like the geological upheavals that formed the Ozark Mountains. Earthquakes, dark thunderstorms, torrents of rain, raging rivers, the chill of winter, and the harsh heat of the summer reshapes - recreates everything.
