

Deep Six

An aerospace tycoon who flies his personal C-130 gunship. An out-of-control Pentagon developing human robots. A renegade US president. A lab at the bottom of the sea. Agent Colin Blake has one weapon - total recall. One quest - to rescue his lover Kate, a military expert, from a cartel that intends to turn her into a sub-human device. When Blake joins forces with Chuck Braden, the US Presidents watchdog on the Pentagon, he uncovers a conspiracy that could devastate half the globe ... Clinton Smiths stunning new thriller delivers a roller-coaster ride of high-tech action. But theres more than just adventure: using top-level military information, Deep Six exposes the defence strategies of China and the US, outlining the ominous future of warfare. A future you will live.
