

Departure: Blackwell 3 (The Books of Klyv) (Volume 3)

After fifteen years on Earth, its time for the visitors from another planet to go home...Upgraded from missing to FBI's Most Wanted, Rick and Jane Blackwell are trying desperately to protect their Klyvian friends, even if it means turning themselves in to the authorities. But when a way off Earth is discovered, its a race from Roswell, New Mexico to the estate of Jacques Faber, a man desperate to prevent their leaving. With the help of an unlikely ally and a mysterious raven-haired girl, the Blackwells and their friends make it to the last flight from Earth. But leaving Earth is only half of the battle.
