

## Doctor Who: The Gunfighters

Back in the gun-totin, hard-hittin, fast-shootin days of the Old Wild West, when outlaws ruled the land and the good guys stayed off the streets, a troupe of traveling players Miss Dodo Dupont, Steven Regret, and the mysterious Doctor Caligarimoseyed into the town of Tombstone one October afternoon. Their method of transportation was a mite peculiar though. After all, a police box materializing out of thin air sure aint the usual way to enter a sedate town like Tombstone. And when the Doctor and his pardners meet up with Wyatt Earp and the notorious Clanton brothers, they soon find out that the scene is all set for high noon at the OK Corral. Shane Rimmer, who played Seth Harper in the original BBC TV serial, reads Donald Cottons complete and unabridged novelization.
