

## From the Fathers Heart

If you've given up hope and lost your dream, The vision that you had is a faded memory And all you've hoped for you have not seen, Just remember, All things are possible to them who believe. Your relationship with God is the most important relationship you will ever have. It supersedes all others. God desires relationship with you; He desires for you to know and experience the generosity of His unfailing love for yourself. He waits with open arms to receive you into His love. From the Fathers Heart is a book of poetry that illustrates the relationship God has with one of His children. Author Shadoew Rose Terrell writes about subjects such as prayer, love, miracles, protection, and many others, and lovers of poetry will be uplifted, motivated, and strengthened by the inspiring words of wisdom that seem to come directly From the Fathers Heart.
