

## The String Weavers - Book 1: The String Weavers Series: Multiple universes, alien planets, and a family secret that will change Kelsey Hales life forever.

Disappearing food. Music no one else hears. An alien dropped off by a giant flaming Phoenix... Here on Earth? Seriously? And what did this all have to do with the bracelet she's worn all her life? To make a situation even stranger, a dangerous group of travelers appear out of nowhere. They demand help from the alien... with travel across universes. Abducted from Earth, teenager Kelsey Hale finds herself thrust into a deadly adventure among alien worlds and alternate universes. She must not only survive, but also find a way to rescue her father. In the process she will discover a family secret that will change her life forever. With the mysterious Weavers connecting it all. Join Kelsey Hale in a coming of age science fiction adventure across alternate universes and encounters with alien planets, species and societies. Thrust into a dangerous journey to places she could have never imagined, she is determined to discover the truth of her mysterious past. A truth that will change her life forever. Titles in The String Weaver Series: The String Weavers, The Phoenix Eggs, The Dark Phoenix, The Dividers, The Tower of Egnos, When the Skies Fell, Celestial Fire.
