

## Dirty Dealings

Dirty Dealings focuses on a simmering stew spiced with the seven deadly sins and loaded with vengeance, violence, murder, kidnapping, drugs, suicide, modern-day pirates and assassins. The lifestyle of the very rich and their determination to keep their wealth form the basis for a tale that takes us from Capitol Hill to the nastiest parts of Mexico. Jennifer Rawlings is in love with Geraldo Mirando, well-known international jet-setter, a man she hates but is unable to resist a relationship involving suspense and danger, very complex and exciting. The plot twists and turns with her kidnapping, a result of a yacht hijacking planned by Geraldo that backfires. Smuggled documents, stolen to protect billion-dollar investments associated with Jennifer's father, complicate matters. An unusual double-twist ending, planned by Jennifer's father for the protection of both himself and Geraldo from prosecution, makes their tempestuous relationship even more fascinating.
