

Dusty Roads: A Poetic Walk On This Womans Journey

Dusty Roads is a poetic walk in the journey that is my life. It is taken from various seasons and experiences. I believe it is Gods will that this work be published. At this time and in this season the message of Gods grace should be preached through all genres. It is my belief that my fellows, as well as those who walk outside the safety of salvation, will be bettered by the openness of this work; the testimony and honest revelation will be a witness to the lost and edification to kingdom travelers. It is my belief that this work is one of few things, for which Christ will reward as a faithful act, and the knowledge that I may be of service to him in the furtherance of the kingdom compels and, yes, propels me onward down this dusty road.
