

# Far from the Madding Crowd Volume 1 of 2 [EasyRead Super Large 20pt Edition]

Far from the Madding Crowd, the first of Hardy's novels that gave the name of Wessex to the landscape of south-west England, and the first to gain him widespread popularity as a novelist. In rural Victorian England, a headstrong young woman inherits her dead uncle's farm. Consequently, three very different men begin to pursue her to get her inheritance. With interesting twists, it's a must-read!
