

Armageddon Notes: (A Doomsday Anthology)

An intimate look into the life and acquaintances of Gertie Mae Talton, this book chronicles the events that shaped the environment, which is ever changing. Armageddon Notes is a side-by-side introspective of Biblical anecdotes that will encompass Bible doctrine as it relates to the lives of the family of Dewitt (Griffin) Talton, school activities / personnel (both high school and college personages of teachers and students), and church-related happenings of writings and people around, which many of the writings are centered. The prolific writings of 1982 entail many soul-searching details, which show a definitive change in the affairs of the life and times of Gertie Mae Talton.
