

## Thoughts Weighed Out On A Triple Beam: How Heavy Are Yours?

Every so often there comes along a poet who captures the voice of the people with the ability to touch hearts with their skillfully told tales and anecdotes. A poet who will produce great works that will uplift society. Now, Thoughts Weighed Out On A Triple Beam may not be the book, or Andre Crawford the author, that will take on and conquer such a task...but wouldn't you like to find that out for yourself? Go ahead...you just may get something from the pages within this masterpiece! You never know!
