

Beautiful Music: Daze on End

When Kayla gets an extra ticket to a rock concert from her assistant, she never dreams she'll be hooking up with the far younger lead singer before the show. It's a great one-night stand -- until the bass player, Erik, calls her a few nights later. Jason is sick, and only Kayla can help him. Jason and Erik of Daze on End have navigated a strange, energy-based sexual puzzle their whole lives. When Kayla enters their lives, some of the answers begin to fall into place as the three of them find themselves beginning an erotic journey that will change all their lives.
