

Enigmatic Evolution: Prose of Heart and Soul

A woman's heart is layered within these pages. Sonnets of reverence which offer motivation and inspiration, all penned from personal experience. A mysterious menagerie of fledgling poetry and intimate prose ~ from light-hearted romps to veils of darkness ~ to love's salvation...the reader will be touched by the many facets of The Muses soul. Prepare for a journey ~ a metamorphosis of heart and soul, where goodness reigns supreme, a true Enigmatic Evolution. The Muse asks that you read well and judge lightly, and hopes her readers will find within this book her unexpected gift.
