

Unstoppable Success: How to FINALLY Create the Body, Business, & Lifestyle YOU WANT

Have you ever tried to lose weight before? How about 2, 3, 4 times or more? What about building a business? A prosperous business that makes a difference? Author TaVona Denise gained and lost weight several times before she learned how to create a healthy lifestyle, lose the weight, and keep it off. She then used that system to develop a thriving business. In Unstoppable Success, TaVona will walk you step-by-step through the principles to create lasting results in not one, but two, daunting areas - weight loss and business start-up. Through personal story and instruction, you will learn: How to attract the people and resources you need to succeed How to create goals that keep you moving forward, instead of feeling like a failure The fastest way to gain confidence in any situation The secret to getting past overwhelming fear Simple tips for staying motivated and avoiding burnout And much more This book holds the keys to your success.
