

## Escaped From Siberia: The Adventures of Three Distressed Fugitives (Classic Reprint)

Excerpt from Escaped From Siberia: The Adventures of Three Distressed Fugitives This narrative of the adventures of three fugitives from Siberia will appeal to all readers. The cruelties which probably still exist in the mines where so many wretched Russian convicts eke out their miserable existences, incite many of the toilers to attempt escape; but few succeed. This tale doubtless rests upon a substratum of fact, but we are pleased to find the hero is not ill-treated in his captivity for an alleged political offence. He seems to have enjoyed considerable liberty; and, in his capacity of secretary, to have had opportunities to arrange and carry out his project of evasion in company with the daughter of another exile. The resources of M. Lafleur, the deus ex machina of the tale - of course, a Frenchman - will surprise most people. The character of the Police Inspector is well drawn and consistently retained even unto death. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
