

Evolution Serum Faster than life (Chasing Stone A Chase Like No Other)

Evolution Serum is a super slick high action thriller that will keep you hooked right until the last word. Tom Stone is a world class assassin who has just become the worlds most wanted military commodity. Alexander Meeks a billionaire megalomaniac wants revenge on Stone for the death of his family by Karl Sasco a drugs/arms dealer bent on stealing the E-SERUM to sell to the highest bidder. All hell breaks loose as Stone is hunted by the SAS, DELTA FORCE and the French Special Forces to gain control over the Evolution Serum. Sasco captures Charlie Fox a Delta Force Captian and forces him to track Stone down with the promise of huge wealth. Once injected Fox soon realises he has been used by Sasco, the Serum only last for 10 days then it causes the brain to expand killing the host. There's only one cure and it's locked inside Tom Stone's DNA. The clock is ticking and time has run out...if you don't have the E-Serum you're going to be left behind. Nothing will prepare you for the sheer speed and mis-direction as the action unfolds in this detailed thriller as two men fight to save humanity from itself...
