

Hes Alive, BUT!

This story takes place in several small towns called in Pennsylvania. This novel picks up where *The Homzas Son* left off. See how Wayne Homza survived the battle he had with the ultimate evil. On the other end of the spectrum is the group and followers, now without the ultimate evil trying to regroup and regain all their powers. As you read *Hes Alive, BUT!* You will be mentally engaged in all sorts of battles, who will win this time around? As in the previous novel this one will come to a cataclysmic conclusion when both forces meet and the battle begins.
