

First Chapter Compendium: A complete starter kit bundle filled with fantasy and poetry

The complete collection of first chapters from Chris Foster's fantasy books (both young and adult audiences) as well as a concise choosing of sample poems from his poetry books. So if you fancy flashy magic, swashbuckling swordplay and epic adventures, but not sure if you want to delve into a full on book from an author you haven't read before, this is the perfect starting place to discover the gripping beginnings of the stories Foster has weaved. If however you prefer poetry that can move your soul, heal broken relationships or highlight the funny side of simply surviving in the modern world, the poems within provide a great understanding of the contents of his anthologies.
