

Ten Tales of Terror

Ten Tales Of Terror By James Kennedy. M.R. James the doyen of Ghost Story writing once said; The ingredients most valuable in the concoction of a ghost story are, to me, the atmosphere and the nicely managed crescendo. Also the ghost should be odious and malevolent! I respectfully leave it to you to decide whether in these ten tales a little of this has been achieved! James Kennedy.

: Ten Tales Of Terror eBook: Short horror stories by Our nations folklore echoes with tales of unquiet spirits and hauntings, of headless highwaymen and grey ladies, of indelible bloodstains and **The Tormented: Ten Tales of Terror: Ronald L.
