

## Finding Love at The Rock

Finding Love at The Rock. (Angel in the Outback) Jules works at the counter of the bus station in Adelaide. Stephan is an English tourist in Australia fulfilling the dying wishes of his late sister. When Stephan approaches Jules desk to ask for directions, A spilt coffee prevents her from looking up. As Stephan walks away, Jules looks up and has a feeling of deja vu. What follows is an adventure neither she or Stephan would expect. Jules is chasing love in the outback of Australia. Finally at The Rock the two paths cross and this time another adventure begins as puzzle pieces start to fall into place from incidents years earlier.
