

Fox and the Mountain: Creating Your Path to Abundance

When was the last time you thought to yourself, Im meant for something more? Do you ever wonder why life appears to be so easy for some people, or why they always seem so happy and at peace? In Fox and the Mountain: Creating Your Path to Abundance, bestselling authors Scott and Camber Simson will inspire and teach you the way to begin living the life you were created to live- a life fulfilled in every way. This unique allegorical novel imparts wisdom that is profound and clear. Fox decides he desires more in his life than chasing food each day. He wants to be free to stand in awe of the world that surrounds him, and grow old in the company of those he loves. You will be transformed as Fox triumphs and struggles learning the lessons necessary to conquer the mountain so he can reach his ultimate goal. You will be enlightened by the parallels between his journey and the journey we each must set out on as we discover our true purpose. Who would expect that a simple fox could show you how to create abundance in every aspect of your life -in your business, your health, and in your relationships? You will be astounded by how simple it really is. The mountain is high, and at times will seem impossible to climb. Have faith, my friend. You must believe that you are worthy of that wondrous fruit. Fox and the Mountain is one of those rare books that combines the keys to success with a great, entertaining story. A must have. T. Harv Eker -Author of #1 NY Times Bestseller Secrets of the Millionaire Mind This empowering story couldnt have come at a better time. It gives readers the tools needed to create a life full of abundance regardless of anything occurring around them. Greg S Reid -Bestselling Co-author, Think and Grow Rich: Three Feet from Gold I can relate to Fox in this story; even though there may be wrong turns, cliffs and storms in life, if you keep climbing, you will eventually make it.
