

Fronidas Interiores (Spanish Edition)

Fronidas Interiores es una experiencia poetica de imagenes y palabras que, desde la primera linea nos seduce para acompañar al buscador de si mismo a ese espacio sin tiempo de su interior en donde se esconden: la vida, los recuerdos, los miedos. Es una mirada que se sorprende y nos sorprende en cada recodo del camino. Es un ritual de amor y agradecimiento a la vida, al ser poeta, a los amigos. Es un libro en que la poesia plena y madura de Cesar Pellicer entreteje habilmente contrarios, juegos de ritmo y palabras, ternuras solidarias, rendijas filosoficas. Su lectura nos cobija y regocija bajo sus grandes frondas. Angelica Sanchez Editora circulos de aguita
