

Gemini Series: Books 1 - 3

The Gemini Series Collection Books 1 -3 boxes together the first three books in one easy to read set. Consisting of... MOON A systems failure on an Apollo Lunar Module turns from bad to worse in minutes. Commander John Campbell encounter a problem so unexpected that it never made the training or the emergency manuals. On the last day of lunar exploration he and his fellow astronaut Bill Goodwin have only hours to come up with a solution. What they see turns their views on life upside down. Will they die alone with this knowledge or can they at least make the radio work to tell the world? In this first short story of the Gemini series a tense, action-packed thriller reveals the race to survive against dwindling life support in a hostile world. If you love sci-fi with mystery and suspense youll love Moon. STORMS Dr Carla Richards is an astrophysicist striving to impress in a male world. Approached by the government to conduct a covert operation, she sees a speedy route for promotion. Her search reveals more than expected. A government secret theyll do anything to protect. A secret connected to the past, but is effecting the future. A secret connected to the increasingly violent weather threatening to destroy the world. Storms is the second short story of the Gemini series and reveals an unexpected ally for Dr Richards in the race to avert the approaching catastrophe. An ally who knows what actually happened on the moon years ago. ANCIENT A routine archaeology dig in the Egyptian desert reveals a buried entrance so intricate, Peter Merchant has seen nothing like it before. Hoping for a lost tomb, he secretly opens it and unveils what he has always believed we are not alone. The discovery will make Peter famous and re-write ancient history. A history that will rock the established views. Rock the world. He isnt alone. He isnt the only one who wants it. A sinister, shadowy group will stop at

nothing to make it their own, leaving Peter with a problem. How can he protect the ancient secret and still live? Ancient is the third short story in the Gemini series. Combining new technology with old, Peter and his team must use all their wits to survive.
