

## Getting Mad, Getting Even

From the bestselling authors of GOODBYE, JIMMY CHOO comes a hilarious novel about what happens when a man gets his leg over - and a woman gets revenge...Georgie and Flick are a girl's best friend - and secret weapon. Their agency, Domestic Angels, provides invaluable help to armies of harassed women. After years of hard work, Georgie and Flick have built a small but grateful clientele - doing everything from booking the plumber to replacing dead hamsters. Then one evening, they are visited by a pale, nervous-looking woman who makes the strangest request yet. Her husband has combined a takeover with a leg-over. Would Georgie and Flick help her get her own back? It isn't long before word gets out. Inundated with requests from angry wives, Georgie and Flick begin to wonder whether all these men are really as black as they are painted. Meanwhile, the disgruntled husband of a client has rumbled them. It may be that they aren't the only masters of revenge after all...
