

## God Sends The Words I Only Hold The Pen: Thoughts from the heart

A poem is a story and most of the ones found here have a message. Sometimes words come from deep inside. One only has to listen for an honest expression of feelings and words sent from the heart. The contents of this book speak for the writer. As these lines were shared with others, favorable remarks were received that the words helped them in their own life. God Sends the Words, I Only Hold the Pen is mostly a collection of poems written to ease the painful path through grief and to glorify God who was there for every step along the way.
