

Storm-Proof: Spiritual defense against the storms of life (Success Lifeline) (Volume 1)

Storms are part of life. They will definitely come your way. There is nothing you can do about that. However there is one thing you can do. You can prevent storms from ever having power over you. How prepared are you? Wise people storm-proof their lives before they ever come. Foolish people wait for them and then they wail and cry for help. Where are you? STORMPROOF will empower you to spiritually fortify yourself against the storms of life. Do not ever allow yourself to be overwhelmed by a thing you could have easily controlled.
