

Hard Times (Norton Critical Edition)

Set in the north of England during the 19th century, *Hard Times* is the story of Thomas Gradgrind, a schoolmaster, who has strong and overbearing views on how his children, Louisa and Tom, should behave in order to become models in society. As the children get older their fathers teachings start to impact significantly on their lives, Grandgrind starts to question his own resolve and begins to wonder whether he has been misguided and blind to their needs. Set against a background of wealth and poverty where the rich rule and the poor are left to suffer, *Hard Times* is more than a vehicle highlighting social injustice, it is also full of drama, romance, comedy, pathos and a tantalisingly elusive, but none-the-less compelling, sliver of hope. Read by the accomplished actress and narrator Dame Harriet Walter.
