

My Hearts Passion Revealed

Pastor (Evangelist) Jenny Small is the Author of the very intense domestic violence book entitled YESTERDAY I DIED. Her new book, MY HEARTS PASSION REVEALED is a book of poetry in motion with a passionate rhythmic flow, as the true penmanship from her heart is eloquently manifested with effervescent flair in black and white. MY HEARTS PASSION REVEALED exposes deep past pains, but present triumphant successes, which are openly recorded to encourage, motivate, edify and uplift readers to rise up from their deep sadness, and embrace life that is worth the living; for, in learning to forgive, healing is effected quickly, and, in forgiving, you are released from regarding iniquity in your heart, and you are able to cast aside the weight that so easily besets you, because the chains that had you bound are broken.
