

No Longer Hidden

As a complement to my book Who Cares What You Think...So What You Think?, No Longer Hidden is an account of my journey through life, captured in metaphorical images and lyrical format. Poetry permits a person to see through a kaleidoscopic lens as the sequence of life events presents challenges that would be unbearable if not written in a melodic form.

Where the book serves as a cutting board for me, a space for dissecting my innermost feelings, it is also an entree served to the reader, since one may be able to absorb secret truths as he or she ingests each piece of poetry.
