

Hiding Behind Thunder: Special Edition

The novel *Hiding Behind Thunder* gets a Special Edition published for and dedicated to the members and competitors of the Historic Stock Car Racing Series. Davey Sutherland is running for his life from a murder he didn't commit. Through a twist of fate, he finds sanctuary in the rough-and-tumble world of 1960s NASCAR. As race driver Colt Kellogg, he hides behind his assumed name and identity. But, will he become a victim of his own growing notoriety? Caught between the law and people set on revenge, Davey spends his new life HIDING BEHIND THUNDER. HIDING BEHIND THUNDER blends a fictional central character with historic NASCAR racers and events of the early 1960s. In addition to the mystery and adventure, the reader will also enjoy vignettes of the origins of stock car racing and the insight of many of NASCAR's stars of the era, as well as the heartaches endured during the 1963 and 1964 Grand National seasons. NASCAR and Grand National are trademarks of NASCAR, Inc.
