

## An Opportunity for Revenge

Publishers description: Andy Bowers is a hard-playing adventurer who can be a hard-case detective when the need arises. He has great wealth and good friends. In the first novel, Andy was a sales engineer with a lust for adventure; in *An Opportunity for Revenge*, he is still an adventurer, but now with a PI license, an ex-Navy Seal buddy, and a thirst for revenge as he investigates the deaths of his mentor and his office administrator.
