

The House of Gathering

Praise for *The House of Gathering*: Using words as wands, the wildly talented artist, performer, visionary, mystic and magic maker Erica Sarzin-Borrillo offers a feast of life in all its stages and surprises. Here is truth telling wrought in poetic images and stunning cadence. The Goddess takes up residence in this potent book and the reader is never the same - Jean Houston, PhD, author of *The Possible Human*. Erica Sarzin-Borrillo's mystical poetry awakens us to our divine essence. It inspires, consoles, and invites us to come home to the Eternal Lover and be the resurrection of this world. As with the passionate verses of Hafiz and Rumi, here is expression of the ecstatic love affair, rich with depth, humor, mystery and inspiration. This is poetry which is not created or manufactured, but birthed. In *The House of Gathering* you will experience fire, longing, benediction, and forgiveness, and you will want to plunge into these inviting depths again and again . . . - Jane Smith Bernhardt, author of *We Are Here: Love Never Dies* and *The Sweet Conversation: A Guide to Spiritual Listening*. Ms. Sarzin-Borrillo has the most extraordinary gift of being able to describe the soul's journey. Her poetry comes closer to expressing it than any writing I have ever experienced. Each piece is like looking at one of a thousand lights of the soul, each stimulating an inner sense that bring us closer to the truth of our own essence. We are lifted on word-wings that guide us inward to the awakening of our own soul-self. This poetry jump-starts that inner journey for those who have forgotten and for those who need reminding - Robert Stempson, co-author of *The Sixth Sense*, Founder and Director of Programs for Human Development (PHD) and www.CTPsychics.com.
