

Best Friends

Dale liked making friends with everyone. From her childhood, she has had relaxed, easy relationships with Robin Smith and Suzie Peterson. Later, when she is accused of committing a crime, can she overcome her natural feelings of animosity to become Hilda's friend? When her brother Johnny comes home with college chum Barry Davis, will she be able to be friends or will it develop into a more meaningful relationship? Most importantly, when she is badly hurt in an accident, can she trust her best friend, God, that everything will be all right?
