

# The Emotional Side of Job Loss: Overcoming the Emotional Side of Job Change

It's not how you handle the good times that matters in life. The true test in life is how you handle tragedy, loss, and the challenge of what to do next. Whether you have lost your job or live with the fear of losing your job, this is the book for you. Job loss can be terrifying and paralyzing. But, there is hope. You can overcome a job loss by realizing you are not alone and applying the steps that other effective people have learned. Yes, if you think it, see it, and believe it you too will be successful again. Read the stories of others who have overcome job loss and follow a step-by-step approach to regaining your confidence, empowering yourself, and finding your next career opportunity. A great companion to Dr. Grossman's other books: *What's Next Create Your Dream Job With a Plan B* and *Passion Finding What Energizes Your Career*.
