

To Rise Above It All

A thrilling - action filled novel about three young teenagers as they climbed to fame. It is a story of love, the love of MUSIC, and the love of the women who helped create there story. It is a story of romance, sex, power and control between men and the women that they loved. It is a story - told time and time again, of how musicians climbed above it all. Despite the corrupt recording industry that suppressed them, the TV satations who adored them, yet they all rose to fame - non-the-less. This story is based in part on the life and times of three famous musicians of Portland, Oregon who managed to, Rise Above It All. It is in fact -a motion picture; in words, a >MAJOR
