

## Healing Water: The Search for Hunter Wipley

What would you do if you found a rare document hidden in your dying fathers office and upon reading it you learned of a legend that could possibly save his life? This is exactly what happened to young James Greene, and before long this remarkable discovery will lead him and his best friend Neil on a quest for the truth, which will end up changing many lives. With Neils expert grandfather, Pop, directing the adventure, James soon finds out many things about the real world, along with a few other things about an intriguing, unknown world as well. Within the document James found, researcher Hunter Wipley had written, Find me and you will prove the legend. But can James and his friends solve the mystery and find Wipley before its too late?
