

Just Say No!: A Novel

Omar Tyree, New York Times and Blackboard bestselling author and winner of the 2001 NAACP Image Award for literary fiction, delivers a powerful story of two childhood friends lured into the sex, drugs, money, and madness of R&B stardom. Darin Harmon and John Williams, two good church boys from Charlotte, North Carolina, have been best friends since they were toddlers. Both use their God-given talents to breeze through high school, and both are awarded scholarships to North Carolina A&T State University: Darin for football, and John for music. During their sophomore year, John, the introverted mommas boy, showcases his musical genius in a homecoming talent show that changes both their lives forever. Johns romantic crooning earns him the nickname Loverboy. As his R&B career begins, he asks Darin to tag along as his manager. Darin wants no part in the music scene and has big dreams of his own, but when he suffers a season-ending football injury, he finally agrees to hop on the Loverboy bandwagon. The two set out to turn John into an R&B superstar. For Darin, dealing with Johns rising fame and fortune proves a difficult challenge. The more the two adapt to the dangerous celebrity lifestyle of big-time money, fast women, and recreational drugs, the harder it gets for both of them to just say no! With its page-turning narrative and irresistible characters, Just Say No! is destined to become another urban-American classic from Omar Tyree.
