

Wolfhelm (Dragonrealm)

Shipwrecked long ago on the Dragonrealm, the half-human Gryphon rose to free part of the land from the tyranny of the drake lords, yet his own past remained a forgotten mystery. Now, haunted by the dark words of an old foe, he crosses the sea, journeying to the domain of the ebony-armored wolf raiders. However, in discovering his origins, the Gryphon will awaken the powers of an empire...and risk the wrath of its savage god.
