

A Princess of Mars (The Martian-Barsoom-John Carter Series, Book 1)

[This is the MP3CD audiobook format.] Ex-Confederate Army captain John Carter finds himself suddenly and unwittingly transported to Mars while fleeing Apache Indians. This new world is populated by a race of monstrous Martians whose culture is based on the ability to fight for their race. Captured by the savage green men of Thark, John discovers that the gravitational difference between Mars and Earth has endowed him with the strength that he will need for survival on this hostile planet. He battles ferocious Martian creatures and gains the respect and friendship of the Barsoomians. Along the way he encounters the beautiful Dejah Thoris, Princess of Helium, and earns her everlasting devotion. Tarzan may be Burroughs most famous character, but his John Carter/ Mars series stories are still widely read and the upcoming Disney/ Pixar film John Carter of Mars, based on the first three novels in the series, is set to hit theaters in 2012.
