

Healing: Writings That Soothe the Soul

Healing: Writings that Soothe the Soul is a collection of poems, short stories and journal writings that are inspired by God. This anthology is an account of the authors personal reflections in addition to other peoples real life experiences. It is designed to inspire and to encourage all readers as they navigate through the pages. This book will take you on a journey that will cause the reader to identify with the feelings and thoughts expressed behind every word. The intent of the book is to encourage and to introduce the reader to Gods healing power.
