

Potro 67 (Spanish Edition)

Berlin, 1944. El científico nazi Hans Koepplkraftt idea una bomba capaz de convertir a los seres humanos en pepinillos en vinagre... No. Esta novela no va de esto. Pero ya tengo tu atención. Además de una buena idea para la siguiente novela. Potro 67 despeja tres de los siguientes interrogantes: ¿Que tienen en común un actor porno reciclado en investigador privado y una militar de elite reciclada en astronauta? ¿Que diablos es Yija? ¿Que pinta un policía atormentado, algo friki y bastante pagafantas en todo esto? ¿Que es un teleferido? Esta novela fusiona la ciencia-ficción, el género policiaco y el humor con más gloria que pena. Potro 67 es aventura, misterio, sorpresas, viajes interestelares y actores porno. Todo salpimentado con bastante mala leche.
