

Another Mans Bed

Carol Davis is trapped in a loveless marriage to a vicious brute; Sean, her husband, is the worst kind of abuser, and subjects her to countless beatings and even to marital rape. Carol can see no way out, no road forward; only a succession of days and nights marked out by constant fear and violence. But then... a chance... Greg comes into her life. Greg is the opposite of Sean, caring, considerate, and a gentle and kind lover. Soon they realise that they are in the grip of a passion that is bigger than both of them. Terry Charnleys gripping novel rises to a climax, with a terrifying confrontation with Sean. Is there a way out? Can there ever be happiness, after so much trauma for Carol, with Greg? Will she ever cast herself free of Seans clutches? The answer is in the story of Another Mans Bed. T A Charnley has been writing since the age of twelve and was born and raised in Bedford.
