

In the Time of Need

Life has a way of molding us into the people we are-through painful times, hard times, even the times when we felt like we couldnt go on. Tears of joy and happiness are something this book will remind you, and greatly overshadow all the hurt and prove to yourself you are so much more even when you feel like giving up. Read as it will make you cry, shout, and bring an enormous joyful smile not only on your face but also in your soul. Most of all, it will touch your heart. In the Time of Need is exactly what the title says. Whatever situation you are in, besides the Bible, the writing you will read in these pages is for you. This book wasnt written for me, the author, but for you, the reader.
