www.zenit.org We are thirsty and they give us condoms! We are hungry and they offer us contraceptive pills! We are sick and they offer us the most modern techniques of abortion! We are naked and they lead us into the arms of sexual hedonism! We are imprisoned by poverty and they offer us sexual liberation! Silent tears roll These girls have no opportunity to continue their education and are essentially condemned to a life of poverty.[iv] Instead of promoting contraception and abortion to these young girls, those truly interested in improving maternal mortality rates should heed the results of the Koch Chilean Study. One out of every nine girls is married by the time she is 15.

Analysis of data from Chilean public records over a course of 50 years found that increasing womens education was critically linked to decreasing maternal mortality <http://www.newadvent.org/cathen/08186a.htm> SAINT ISIDORE His fame after his death was based on his Etymologiae, an encyclopedia which assembled extracts of many books from classical antiquity that would have otherwise been lost.
